

Itch Tracker

How to rate your dog's itch

- | | | | |
|--|---|------------------------------------|--|
| <p>EXTREMELY SEVERE ITCHING 100</p> | <p>Dog is scratching, chewing, licking almost continuously. Itching practically never stops, regardless of what else is happening around the dog.</p> | <p>MILD ITCHING 40</p> | <p>Moderately frequent episodes of itching. There may be occasional episodes of itching at night. No itching when sleeping, eating, playing, exercising or being distracted.</p> |
| <p>SEVERE ITCHING 80</p> | <p>Prolonged episodes of itching when the dog is awake. Itching occurs at night and also when eating, playing or exercising, or when otherwise distracted.</p> | <p>VERY MILD ITCHING 20</p> | <p>Occasional episodes of itching. The dog is slightly more itchy than before the problem began.</p> |
| <p>MODERATE ITCHING 60</p> | <p>Regular episodes of itching when the dog is awake. Itching may occur at night and wake the dog. No itching when eating, playing, exercising or being distracted.</p> | <p>NORMAL DOG 0</p> | <p>Itching is not a problem.</p> |
